Grenoble campus

Career opportunities

- R & D in Finance and Accounting
- Financial Analyst
- Auditor – Consultant
- Risk Manager (finance, accounting)
- Research Analyst (finance, accounting, technical, and markets)
- Professor in Finance and Accounting

The “Advances in Finance and Accounting” (AFA) Professional + Research Master’s degree prepares you for careers in insurance, banking, corporate market finance, financial markets, accounting, financial institutions, consulting and auditing firms.

This program is also a stepping-stone toward a PhD leading to academic and research opportunities either in university based or public/private research organizations.

Strengths

- An innovative «learning-by-doing» approach.
- Strong student involvement (group presentations, research work led by professors, term papers etc.).
- High quality teaching entirely in English.
- Partnerships with various doctoral schools, research labs, and financial institutes.

Entry requirements

Eligibility

University degree of 240 ECTS; for non-Europeans, a 4-year university degree minimum (approved by a university committee). Application form. B2 level in English (TOEIC, TOEFL, etc.)

Admission

Interview with a committee of academics and international business specialists

Target audience

Students with a M1 or M2 degree in management, economics, mathematics, science, or engineering, and second or third year students from management or engineering schools are invited to apply.

Depending on the number of available places, access to the “Advances in Finance and Accounting” Master’s program is automatically conferred to students having obtained the necessary ECTS credits in the French Master 1 Finance program at Grenoble IAE.

Workplace integration

92 % of Grenoble IAE graduates find employment within one year of graduating.
Median net annual salary 32,735 euros
