

MASTER 2 MAE APPLIED CORPORATE MANAGEMENT

 Admission level **240 ECTS**
or 4 years study at university level

 Program level **Master 2**

 **IAE** Grenoble campus

Career opportunities

The Master ACM leads to extremely varied careers, which depend on students' initial-degrees and professional plans. Our graduates target jobs in all fields of management: marketing, human resources, finance, information technology, business management, manufacturing etc. They work as managers, engineers, consultants, entrepreneurs, etc. They receive positions in a wide variety of industries: consumer products, manufacturing, healthcare, technology, nonprofit organizations, etc.

The Master in Applied Corporate Management (ACM) is a graduate business program for students with an educational background **other than in management or business**, keen to discover and understand the theories, practices and tools useful for leading organizations and making managerial decisions.

Strengths

The Master ACM focuses on all areas in the management of organizations. The curriculum puts emphasis on both understanding business fundamentals and developing managerial skills. It aims to bring significant management expertise to those who will require managerial competencies in their professional life.

Entry requirements

Eligibility

University degree of 240 ECTS; for non-Europeans, a 4-year university degree minimum (approved by a university committee). Application form. Advanced level in English (TOEIC, TOEFL, etc.)

Admission

Interview with a committee of academics and international business specialists

Target audience

The Master ACM targets students from non-business fields (engineering, art, law, philosophy, history, technology computer sciences) French and European candidates should hold a university degree of 240 ECTS credits. For non-European candidates, a 4-year university degree minimum is required, and prior studies will be examined and approved by a university committee.

Workplace integration

92 % of Grenoble IAE graduates find employment within one year of graduating.
Median net annual salary 32,735 euros
